Making rain

Nearly, Bootale's father used to make it rain - he prayed while the sky was clear and there was no sign of rain - by-by you could see little clouds that got larger larger then you could hear thunder and in a little while it would rain - We do not know how he did it - it was his medecine road, he has been dead a long while "Squirrel" a Caddo who make it rain, if you give him fifty dollars, and there is a Comanche man who has a strong rain medecine Maddox" father in law.
