Delaware

**M**AP of Delaware, showing 300 miles of proposed National Highways. These highways will directly serve 202,322 inhabitants of the counties through which they pass, which is 100% of the total population of the State. The total road mileage in the State is 3,000, so that 10% in National Highways mileage will serve directly 100% of the people.

Similar maps of other States are being prepared by the Association, and will be issued as rapidly as possible.
