In consideration of the regard & esteem we have for our father & friend Colonel Browne who on various occasions has  
 successfully led our Kings & Warriors to battle against the common enemy the Virginians and as the Giver of Breath has been pleased to endow him  
 with the qualities of a warrior in a superior degree to any of our nation; We therefore the Kings, Chiefs & Warriors having chosen our father  
 & friend our chief King & head Warrior with the war title of the Great Eagle as a mark of our regard & affection for him and to enable him to support  
 his rank & station have given and by these presents do give to him & his children forever that Land on the Western side of East Florida bounded  
 on the North by the river Amajura, the East by St. Johns river and the Islands therein including the same and on the South by the  
 Point River on the West by the sea with the Islands on the Coast including to have & hold the same forever.

In Testimony whereof we have set our Names & family Marks
