

Dear Sir

By a variety of Causes, Hury
of Business, my own Indisposition, &
the Absence of several Members of my
Family, I have been prevented
from enquiring after you; I am
afraid a Continuation of your
Sickness prevented you from
enquiring after me.

The Miss Brodies of Lethen
are lately come to Town; & Miss
Sophia desired me to let you know
that one of the Spirits of the Hill
hoped to see you when it was convenient.
If Tomorrow Forenoon will suit you,
I will call on my way (they live
in St Andrews Square) & accompany
you thither.

Yrs always very truly
